

Certificate of Participation

Hereby we certify that

VALENTIN BAIER

participated in the "Smart Green Island Makeathon" from February 23 to February 26, 2018 in Las Palmas de Gran Canaria (Spain).

Within four days, the participants had to develop, in teams, a prototype in one of the fields "**Smart Farming**", "**Smart Home**", "**Smart Mobility**", "**Connected Systems**", "**Autonomous Driving**", "**Green Energy**" or an **Industry Challenge** presented by the sponsors.

The participants proved the acquirement of teamwork, efficiency, creativity, responsibility and time management skills.

The Makeathon offered the participants the opportunity to exchange ideas with the representatives.
